

Fayetteville, AR
MAYB 2011
January 29-30 & March 12-13

This year's events will be held in Fayetteville and Springdale. We took on the challenge of hosting MAYB in January and March to have a place to play top competitive basketball tournaments. The area now offer more competitive events, but we hope we can give you more all around competition for our bordering states.

Northwest Arkansas now has a number of well-known hotels and great places to dine. Shopping could not be better in the area after the Christmas and New Years season has passed.

There are a number of sights that we hope you will take in while you are in the area:

- Donald W. Reynolds Razorback Stadium (Home of Razorback Football)
