**February 12-13, 2011**

Easy access from the major cities of Topeka, Wichita, and Kansas City, is a valuable attraction to the Emporia Mid-America Youth Basketball Tournament. Direct routes from the Kansas Turnpike, I-35, and Highway 50 make travel arrangements convenient and easy for weekend tournaments.

Most area teams can easily compete without the usage of motel expense. Located in the beautiful Kansas Flint Hills, Emporia (Pop. 40,000), offers well over a dozen quality motels, fine restaurants, and quality shopping areas to make your stay enjoyable between games. No games will be played outside of the City of Emporia.

The tournament prides itself with game organization, game time convenience, and quality officiating, along with the proper placing of team levels. All gyms will be located in the city limits of Emporia, with games being played at Emporia High School, Emporia Middle School, Lowther North and South grade schools, Emporia Recreation Commission, and the Civic Auditorium. Special requests are most always honored with usually 3 games guaranteed, if not more. Awards for the top three places are always of high quality.
