

Coaches,

MAYB would like to thank you for choosing the Colorado Springs, June 18-20, 2010 basketball tournament. We are looking forward to another exciting weekend of competition, here in our great city.

Enclosed you will find your team's schedule along with a map of Colorado Springs and directions to our sites. If I can be of further assistance, please don't hesitate to call me.

- Make sure to locate all of your **pool games**. If you're in a pool of 4 then you have 3 pool games. If you're in a pool of 5 then you have 4 pool games. If you're in a pool of 6 you have 5 pool games.
- Bracket Play – The **Posters** on the wall at each site are final. Any changes made will be reflected on the posters. **Please communicate this to your parents.**
- When you arrive to your first game please pick up your two complimentary coach's passes and sign in (leave a phone number for us to contact you).
- On Friday, heading into Colorado Springs or through Denver, you may run into traffic. Please give yourself plenty of time to arrive on time to your first game.
- **Admissions:** An adult day pass costs \$6 and a weekend pass is \$10. (Children's prices run \$4 and \$7 respectively.) No checks will be accepted. **Please tell your parents what to expect.**
- If you have any player on your team that other coaches may question their eligibility (this usually occurs in younger age groups), **YOU ARE REQUIRED TO SHOW PROOF OF CURRENT GRADE.** If there is no proof, you will forfeit the game and the player will become ineligible for the remainder of the tournament. We have had a few problems with this in the past; let's not make it an issue this year.

## Tournament Regulations and Guidelines

1. Regulation High School Activities Association rules will be followed **with the following exceptions:**

- 20 minute running clock except **for last 2 minutes of each half**, unless one team is ahead by 15 or more. If lead falls below 15 points, clock will again stop. In addition, clock will stop on all technical fouls, injuries or timeouts (including officials TO). Clock does not restart until it would in a normal dead ball situation.
- 5 minute halftime and 5 minute pre-game warm-up. Game time is forfeit time.
- 3<sup>rd</sup>-6<sup>th</sup> boys use girls ball. 7<sup>th</sup> boys use ball the state they are in uses.
- We recommend jerseys with numbers on front and back. No number restrictions exist.
- **4 timeouts per game**, no 30 second timeouts.

2. Players may play on only one team within a tournament age group. Player's eligibility **will be checked by a current grade card, if requested**. Players may play "up" in an older age group. This could mean a player plays in the 8<sup>th</sup> grade tournament and the 9<sup>th</sup>-10<sup>th</sup> grade division. But they can't play on 2 teams in the same 8<sup>th</sup> grade tournament.

**3. Each team is required to provide an adult scorekeeper or clock operator for each game. We have had great success with this. Please do not put kids in this situation. It is unfair to them if adults are yelling at them!**

4. Inappropriate behavior will not be tolerated!!! A referee may remove players from the game or tournament for inappropriate behavior. We are here for the kids. Do not allow or condone poor sportsmanship. This includes coaches and parents!

5. Each tournament building will have a Site Director. Please direct questions to this individual during the weekend.

6. Tie breaker procedure is as follows: 1st criterion is head to head competition. If head to head doesn't work then 2<sup>nd</sup> criteria is **point differential to a maximum of 10 points per game**. We will add up every pool game point differential and the team with the most positive points will be the highest seed. The other two teams will then figure out their seed based on head to head competition.

7. Overtimes will be 2 minutes in length with regular clock operation. The clock stops on all dead balls.

8. All roster changes made after the entry deadline should be given to the tournament director before playing a game at a specific tournament. **Grade cards will still be used to determine eligibility**. You should have these with you at all times in case of protest. Final eligibility rulings will be made by the area director if weekend conflicts occur. There is no way for the National Office to make these decisions. If you know players will be gone, plan ahead! We want everyone to be able to play, but we do not want teams bringing in players on Sunday because they feel it is the only way to win the tournament.
