Del City MAYB

July 5, 2010

Coaches:

- Thank you for choosing to play in the seventh annual Del City MAYB tournament. It is our desire to provide a quality tournament that will help your players improve and have fun. I know things won't be perfect, but I hope you will enjoy the tournament and remember us next year. We tried to meet everyone's schedule request to the best of our ability.
- There are two coaches' passes in the packet along with schedules. If you have any questions or comments please call me at 201-5733. I hope I get the chance to meet all of you.
- Please remember to encourage your players to respect the facilities they play in over the next couple days. These are nice facilities and I hope to continue to use them. Also I realize everyone wants to win. I am as competitive as the next guy; however, remember that ultimately we are here for the kids. Please use good sportsmanship and treat the officials with respect.
- Concessions should be provided at each gymnasium. There is a gate fee for your parents and fans. Most of you are probably aware of this already.
- We will give out individual medals to 1st-3rd place in each division. We do not give out team trophies because most of you have hundreds of them already. If this is something you would like to see changed please tell me. Almost all the feedback I have gotten in previous years said team trophies weren't necessary.
- Please remember to have report cards handy in case of any problems or protests.
- Finally, please remember that the first team listed must provide a clock operator and the second team listed must provide someone to do the book. Have a great weekend. We hope you have a great time and remember us next year when you are choosing your tournaments.
