MAYB – Tournament Rules July 9-11th

Regulation High School Activities Association rules will be followed with the following exceptions:

- ❖ 20 minute running clock except for last 2 minutes of each half, unless one team is ahead by 15 points. If lead falls below 15 points, clock will again stop. In addition, clock will stop on all technical fouls, injuries or timeouts (including officials TO). Clock does not restart until it would in a normal dead ball situation.
- ❖ 3rd-6th grade boys will use girls' size ball (28.5).
- ❖ 5-minute halftime and 5 minute pre-game warm-up. This may be reduced to keep the tournament on schedule.
- ❖ Game time is forfeit time.
- ❖ 4 timeouts per game, no 30 second time outs.
- ❖ Teams must provide their own equipment.
- ❖ Overtimes will be 2 minutes in length with regular clock operation. The clock stops on all dead balls. Timeouts carry over but none are added.
- ❖ 1st team listed or on top of bracket is home and wears light jersey.

Referee may stop clock with reason. Intentionally wasting time to shorten the game can be punished with a technical foul. This does not mean a team can't use a delay offense at any time they choose. They simply can't tell players to not line up for free throws or sub 1 player at a time to run the clock.

Each team is required to provide a scorekeeper or clock operator for each game. This person must be of High School age or above. Home team has 1st choice.

Players may play on only 1 team per age group in a tournament. Player's eligibility will be checked by a current grade card if requested. Requesting team must also have theirs available.

Inappropriate behavior will not be tolerated. A referee may remove players from the game or tournament for inappropriate behavior. We are here for the kids. Gym monitors may remove coaches and parents for inappropriate behavior.

Contact the tournament director or gym monitor at your school if you have questions.

Only Water allowed in gyms.

Tiebreaker procedure is as follows: 1st, head to head. If a 3-way tie exists and no clear head to head advantage is available, point differential of the teams involved in the tie will be the next tiebreaker (total differential of pool games) using +/- 15 maximum, following that, a coin flip will be used. Odd team wins the flip. The tie breaker will then revert to head to head for the two remaining teams.
