## Regulations and Guidelines

- 1) High School Rules will be followed with the following exceptions:
  - a) 20 minute running clock except for the last 2 minutes of each half, unless 1 team is ahead by 15 points or more. If lead falls below 15 points, clock will stop again. In addition, clock will stop on all technical fouls, injuries, timeouts (including officials TO). Clock does not restart until it would in a normal dead ball situation.
  - b) 4<sup>th</sup> – 6<sup>th</sup> grade boys use a girls sized (28.5) ball. This ball must be provided by the teams.
  - c) 5-minute halftime and 5-minute pre-game warm up. This maybe reduced (3-minute minimum) to keep the tournament on schedule.
  - d) Game time is forfeit time
  - e) 4 full timeouts per game, no 30's. No additional timeouts granted for overtime.
- 2) Teams must provide their own equipment.
- 3) Players may only play on one team per age group during this event, but may play in more than one age group. Grade cards should be available if requested. Requesting team must also have theirs available.
- 4) Each team is required to provide one person at the scorers table to operate either the clock or the official book. Home team has first choice. Home team is listed first or at the top of the bracket and wears light jersey.
- 5) Tie breakers will be settled as follows: 1<sup>st</sup>, head to head. If a 3-way tie exists, and no clear head to head advantage is available, point differential of the teams involved in the tie will be the next tiebreaker (total differential of all pool games) using +/- 15 maximum, following that, a coin flip will be used. Odd team wins the flip. The tie breaker will then revert to head to head for the two remaining teams.
- 6) Overtime periods will last 2-minutes. The clock will stop on all dead balls. Timeouts carry-over from regulation but no additional ones are added.
