

## Oklahoma City, OK I June 16<sup>th</sup> – 18<sup>th</sup>

Since 1994 the Lighthouse Sports, Fitness and Health has been an Oklahoma City Tradition. When the facility opened, new basketball and volleyball leagues began to form, Kerr McGee swim lessons took off, instantly changing the original theme of the property from one of tennis to more a multi-purpose sports facility. We have four indoor high school regulation sized basketball courts that can quickly convert into volleyball. We have state-of-the art flooring called Sports court. This is the same court surface used during the NBA All-Star teaching clinics. We also have six outdoor sand volleyball courts that we open during the summer months. We currently have over 100 youth basketball teams and over 120 adult basketball teams involved in our spring 2001 session. The Lighthouse staff is experienced in taking gate, concessions, and organizing tournaments. We have hosted several major USVBA (United States Volleyball Association) tournaments as well as the MAYB (Mid America Youth Basketball) summer tournaments. The Lighthouse's accessibility and large gym capacity with separate men's and women's locker rooms, court monitors with on site security, A/C and heating, and over 300 parking spaces make it an excellent choice for any event. In the summer of 1999 Sports city U Basketball Academy (SCU) made its Grand Opening here at the lighthouse. Joe Crawford, academy director, started with a dream to help children, men and women become better basketball players. Jo teaches techniques that were developed by Jimmy Clayton, Nike Shooting Instructor what has helped many of today's NBA players with their game. SCU has now expanded and moved to another facility in south Oklahoma City to help serve the needs of the people throughout the Oklahoma City metro area. No phase II of the Lighthouse project has just completed construction and a brand new state-of-the-art fitness and aquatic opened in October 2000, presenting 1,500 members with a dynamic, new concept: a multi-purpose, co-ed, high quality club that caters to the needs of the community. The club has over 50 pieces of cardiovascular equipment, 3 lines of machine weights, free weights, three aerobic rooms, 2 men's and 2 women's locker rooms with a whirlpool, and a 12 lane indoor lap pool. The Lighthouse continues to evolve and grow, and we set our course according to our members' current and future expectations. Thank you for your support.
