

## 3rd Annual Belleville MAYB

RED, WHITE, & BLUE

June 30-July 1, 2007

The 2007 Red, White, and Blue MAYB in Belleville is in the books. Another successful year with some excellent play at all three sites. In the 9-10 Girls Division the 2 **Republic County** teams played two spirited games this weekend with the older girls being victorious in both games to win the championship (looks like continued good girls basketball for the near future for the **Lady Buffs**), **Pike Valley** defeated **Smith Center** for 3<sup>rd</sup> place. In the 11-12 Division the **Kansas Suns** dominated all opponents this weekend going 6-0 for the title, the **Lakeside Lady Knights** took 2<sup>nd</sup> place, and the **Kansas Twisterz** taking 3<sup>rd</sup> place. The 7-8 Boys Division saw total dominance by an extremely talented **Washington County** group who went undefeated in their division. The two Republic County schools entries were no match for **Washington**, but they played an extremely exciting combination game on Sunday, these two groups together look like they have what it takes to make another solid Buffaloe group in the future. In the 9-12 Boys Division, **Sabetha** flexed its muscle again showing why they are a team to be reckoned with this winter. **Frankfort** battled them with all-state guard Jordan Broxterman, but in the end, the team effort of **Sabetha** won out 56-51, **Republic County** took 3<sup>rd</sup>. By the way wasn't that long time Sabetha head coach Marvin Kohlmeier assisting on the Sabetha bench this weekend, what an asset that must be to have a man with that kind of knowledge helping the youth in Sabetha, well *'that is the rest of the story as Paul Harvey would say.'*

Thanks to all who made the weekend special...especially Bob Brown and Doug Jackson who took care of the gyms at Cuba and East. Deb Anderson the T-Shirts were wonderful and most importantly to all who officiated, thank you for taking time out of your 4<sup>th</sup> of July Weekend to work all the games.

Basketball forever,

Alan
