

## *Zion Classic*

*MAYB*

*May 1, 2010*

*May 8, 2010*

Mid America Youth Basketball (MAYB) is coming to the Lake County Illinois area. The Waukegan Traveling Stars (Darryl L. Presley) has committed to the MAYB to host several tournaments in the Lake County area over the spring & summer months. We will be hosting the events at Zion Township High School. We have also committed to bringing a few winter blowouts with the MAYB to this area, which will be held at the Field house @ Hinkston Park in Waukegan. There is an expectance of 80-100 boys and girls teams from grades 4<sup>th</sup>-12<sup>th</sup> competing.

The Lake County area has many different attractions to choose from while visiting. Our number one attraction of course would Six Flags Great America in Gurnee Illinois. They have all different types of roller coasters and they also have a water park attached to the theme park. There is shopping galore with the mega mall Gurnee Mills with hundreds of stores with anything that you could think of. The tournaments will be named Lake County Illinois MAYB rumble.

There are also several different Preserves in the Lake County area that make it possible to camp, fish, and many other adventurous events. We have five courts in the Zion High School & six courts at the field house in Waukegan. With a new hotel going up in Zion and with the renovations to the Illinois State Beach Resort there will be plenty of great lodging within the city. Waukegan on the other hand has just had several new hotels built at the new fountain square area with a plethora of restaurants to choose from.

Mid America Youth Basketball administers tournaments throughout the central states region. The MAYB format offers the opportunity to play an organized 25-30 game season during the summer months without the need to qualify form one week to the next. MAYB's five game format guarantee provides teams with maximum court time for their money. The goal is to get players who are serious about improving their skills the chance to do so. MAYB is the most cost-effective way to improve individual and team basketball skills in a competitive setting. For more information about MAYB, see their web site at <http://www.mayb.com/index.htm>
