

MAYB Summer Kickoff

The MAYB Summer Kickoff will celebrate its 15th year of existence in the summer of 2008. This tournament will be available for boys and girls teams in grades 3rd-12th. Once again, we are expecting over 700 teams to attend making this event the largest event of its type in the United States. Over 90 HS, MS and College gyms are secured. As always, the Summer Kickoff will feature a minimum 5 game guarantee with many teams playing 7-8. All Kansas teams that select the four-tournament package are to attend this tournament. Our rating system attempts to group teams of equal ability. In 2007, all age groups had at least an A, B and C level of tournament play. Entry forms are available online and/or by phone at 316-284-0354. Please remember this event does begin Friday morning and run throughout the weekend.
