

EL DORADO, KS

May 3rd – 4th

This tournament will be run by the Butler Community College Men's Basketball Staff who have a lot of MAYB tournament experience. It is a great time to get your team back together and get ready for the start of summer basketball.

El Dorado is located just outside of Wichita and right off of the Kansas Turnpike. The city provides a central location, has great lodging, a wide selection of restaurants, and is not far away from all the amenities of Wichita. All games will be held at the El Dorado Rec Center and if necessary Butler Community College. All gyms are air conditioned and the facilities are some of the best in the area. To register, please visit the website at www.mayb.com or contact the office at 316.284.0354.
