

KC PREMIERE MAYB TOURNAMENT

SHAWNEE MISSION, KS

March 24th-25th

KC Premiere Basketball, Kansas City's biggest and best provider of youth basketball events is proud to be hosting this and several other MAYB tournaments throughout the year. MAYB and KC Premiere have partnered up to produce the highest quality tournaments in the KC metro area and beyond for 20 years. KC Premiere Basketball orchestrates 20 tournaments and five league sessions on an annual basis. This constant contact with teams results in better match-ups, a wider variety of teams, and rarely having to cancel a division or forfeit scheduled games. Participants and fans can rely on our experience, organization, and commitment to providing the best possible event for teams of all ages and ability levels. We look forward to hosting your team!

TOURNAMENT LOCATIONS

We have access to high schools and middle schools in the Shawnee Mission School District. We will utilize all available gym time in the Shawnee Mission area first, but may need to utilize other facilities in Johnson County.

The exact location of each tournament is based on the number of teams registered in each division and the availability of certain facilities. We can typically let teams know around the deadline which facility they will be playing at. We will do our best to keep teams from running all over town, honor schedule requests, and have teams sharing coaches at same location.

LOCAL ATTRACTIONS

- * Fabulous shopping and dining venues are just minutes away from any tournament sites:
The Plaza, Oak Park Mall, Town Center Plaza, Zona Rosa (located at I-29 and Barry Road)
- * The Legends has outlet stores galore, great dining and family fun at Dave and Buster's, an indoor water park at the Great Wolf Lodge, movie theatre, bowling alley, and much more
- * Kansas City is known for our world famous barbeque. Ask any tournament staff member for suggestions & directions to the best B-B-Q in town. Family dining options are always nearby.

MISCELLANEOUS INFORMATION

Kansas and Missouri have conflicting rules regarding ball size utilized for 7th and 8th grade boys. To avoid any discrepancies at the tournaments, the following rule was established by MAYB: 7th grade boys will use the 28.5 ball, unless both coaches agree to play with the bigger size ball. 8th grade will use the full size ball, unless both coaches agree to play with the smaller size ball.
