

**SOONER STATE SHOWDOWN**  
**Norman, OK**  
**July 28-30, 2017**

We would like to invite you to participate in the MAYB Sooner State Showdown. We are pleased to announce that this year's tournament will be held in the Huston Huffman Center on the campus of the University of Oklahoma. Located at the foot of Memorial Stadium, you will not find a better multi-court facility to play basketball in than the Huffman Center. The best news is that the facility is air-conditioned. If you like to watch basketball, this will be a great weekend for you as all games will be played under one roof. If you were to come from start to finish you would see over a hundred games during the weekend tournament.

The tournament will be available to teams in the 3-12<sup>th</sup> grade. We are expecting a wide range of competition levels and will divide the grade divisions based on ability when possible. We are sure you will find this tournament to be very well run and extremely organized. Tournament directors will be available during the entire tournament to answer any questions you may have or to deal with any concerns that may come up during the weekend.
