MAYB - Colorado Springs July 7th- 9th 2017

Welcome to the longest running MAYB tournament in Colorado! This is our 19th year hosting MAYB tournaments in Colorado Springs. We feel very fortunate to have been able to provide competitive basketball and family vacations for the past 19 years in such a beautiful location.

Colorado Springs is a wonderful place to visit during the summer. “Must sees” include, Garden of the Gods, a tour of the Olympic Training Center, and climbing Seven Falls. Colorado Springs offers many accommodations in all parts of the area. One hour south of The Springs is world class white water rafting and a beautiful train ride along side the Arkansas River through the Royal Gorge. Please visit the Visitor’s Bureau’s website for much more information on accommodations, places to see, and things to do. (<http://coloradosprings-travel.com/>)

For out of town teams it is best to stay in hotels just off Interstate 25.

Feel free to contact me with any questions or concerns.
